... "Micheal, I hope you're hearing great things from this beautiful song. I want to share with you a funny experience about Io Credo on Tempo. I had someone call and ask me to play it before they went to church at 9:30am. Then I had someone call and ask me not to play Io Credo until after 11 am when they get back from church. I told them I wish they would attend the same mass, but it's not a problem until Monsignor starts playing it at church and I lose listeners! Congratulations on a beautiful piece of music, I can't wait to hear all of "Aceto" ... John Richetta Host Tempo Italiano 1470am The Fox
